No. C2-187/41-42 Dt 9.9.42.

Requests in the circumstances stated Sanction to Resolution of the Board to hold a Shandy on every Sunday at Raguvathapura, Devanahalli Taluk.

The president, Dist Bd. Bangalore, States that Raguvathapura in Devanahalli Tq is a pretty big village in the interior with no easy means of communication to the neighbouring places like Chikaballapur, Vadigenahalli and Avathi where Shandies are being held within a radius of 3 to 5 miles from the place. He requests Sanction to the Resolution of the Board to establish a Shandy at Raguvathapura.

2 But Vadigenahalli municipal Council have objected to the establishment of a Shandy at Raguvathapura, on the ground that the village is only a small place without proper communications and facilities to hold a Shandy, and that the income of Vadigenahalli Shandy which is only about 2-3 miles from Raguvathapura will suffer.

3 In view of these objections, it is for orders whether a Shandy to be Raguvathapura

Holding a shandy on Sundays at
Rajumanthapuram, Devanahalli Tk

9. It is stated by the P.D.B. Bangalore Dr that there are adequate drinking water facilities in the village for the shandy, that the land on which the Pally shandy is proposed to be held belongs to the Pallegar of the village who is giving it free for use, & that there is no proper road to the village from Vadigenahalli which is about 3 miles distant. The last fact will also disprove the statement that the Vadigenahalli shandy will suffer.

10. Under the circumstances there seems to be no objection for the holding of the shandy there. Subject for orders. Refer para 4 supra.

11. The Bangalore Distt Board have resolved to hold a shandy on Sundays only next at Rajumanthapuram an interim village in Devanahalli Tq. In response to the objections called for, the Vadigenahalli men state that a shandy is held at which is at a distance of three miles from the above village & is against the present as the income from the shandy would likely go down.

It is stated that there are adequate drinking water facilities in the village for the proposed shandy that the land on which it would be held is also promised by the Pallegar of the village to be given free. In the circumstances the proposal of the Distt Board to hold a shandy

Sir,

I have the honour to state that a representation of the residents of Raganathapura and neighbouring villages Vadigenahalli hobli, Devanahalli Taluk was received praying for the opening of a shandy at Raganathapura and the same was referred to the Sanitary Inspector, Dodballapur Circle for a detailed report. The Sanitary Inspector in submittin his report, states that Raganathapura is a pretty big villag in Devanahalli Taluk u[illegible] a population of 400. The area of the above Raganathapura and other villages is very fertile and growing in importance on account of improved agricultura activities and that it would be useful to the people to disp of their agricultural products and in return buy necessary food stuffs and other commodities, scarce in their villages and adds that the people are afraid to go through Casurina plantation on the way to Chickballapur and Vadigenahalli and Avathi where shandies are being held within a radius of 3 to 5 miles from Raganathapura. The subject came up before the Board at their meeting held on 7th February 1942 and it was resolved that further action may be taken to open a shandy at the place.

Objections were called for from the public and no objection ~~were~~ was received except one from the Municipal Council -
